

Do you have atrial fibrillation (AF)?

We invite you to take part in our short survey. **The IMAGE-AF study** wants to understand what people living with AF think about using brain MRI to help prevent stroke.

Who can join?

If you have AF, no history of stroke, and live in Australia.

\$40 e-gift voucher

Survey participants will each receive a \$40 e-gift voucher. The survey can be completed **online** and takes **about 15 minutes**.

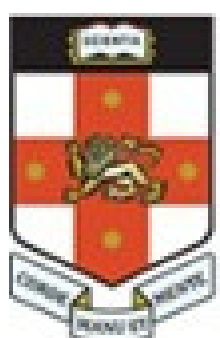

If you are interested, please **scan the QR code below**:
